cemedy for this annoying discuse, as they act di Ayer's tly upon the digestive organs, correct and tone mach, and give renewed vitality to the sys-Hair Vigor, larly well suited to the disman arising from the un healthy season of autumn, and their use will pre-

with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the bair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for sefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which

only benefit but not harm it. If wanted HAIR DRESSING, nothing else can be found so desirable Containing neither oil nor dye, it does not soil white cambric, and yet lasts

long on the hair, giving it a rich glossy
